# The Reveal Methods

## 1. Balloon Pop

A black or neutral balloon is filled with pink or blue confetti. The parents-to-be pop the balloon, revealing the baby's gender with a burst of colour.

## 2. Cake or Cupcake Reveal

A cake is filled with pink or blue frosting inside, and the reveal happens when the cake is cut. Alternatively, cupcakes with coloured filling can be given to guests.

## 3. Smoke Bombs or Smoke Cannons

Outdoor reveals using coloured smoke (pink or blue) add drama and are visually striking, perfect for photographs or videos.

## 4. Confetti Cannons

Cannons filled with coloured confetti are fired, releasing pink or blue confetti into the air.

## 5. Piñata

A piñata filled with coloured confetti, powder, or small balloons is broken open, revealing the gender in a fun and interactive way.

## 6. Balloon Box

A large box is filled with pink or blue helium balloons. When the box is opened, the balloons float out, revealing the baby's gender.

## 7. Scratch-Off Cards

Personalized scratch-off cards are given to guests, and the gender is revealed once the card is scratched.

## 8. Dart and Balloon Board

A board with multiple balloons is set up, and one of the balloons contains coloured powder. The parents-to-be throw darts at the balloons until they find the one with the gender reveal.

# The Reveal Methods

## 9. Fireworks or Sparklers

For a dramatic evening reveal, coloured fireworks or sparklers in pink or blue can reveal the baby's gender.

## 10. Paint Splash

The couple can throw paint-filled balloons at a canvas, with the colour inside (pink or blue) revealing the gender as it splashes across the canvas.

## 11. Silly String

Guests or the parents-to-be spray cans of silly string that reveal the gender in either pink or blue.

## 12. Powder Reveal (Sports Theme)

This is often used in sports-themed reveals. A baseball, basketball, or golf ball is filled with powder and when hit, releases pink or blue powder.

## 13. Burnout Reveal (Cars/Motorcycles)

A car or motorcycle's tires are used to create a burnout with pink or blue coloured smoke.

## 14. Umbrella Confetti Drop

An umbrella is filled with confetti, and when opened over the couple, the confetti falls in pink or blue.

## 15. T-Shirt Reveal

Parents-to-be wear layers of t-shirts or a custom t-shirt that reveals the baby's gender once removed or revealed to guests.

## 16. Balloons in a Room

Upon entering a room, the parents-to-be and guests find the room filled with pink or blue balloons.

## 17. Pet Reveal

If you have a pet, they can wear a pink or blue outfit, or a sign that reveals the gender.

## 18. Gender Reveal Puzzle

A puzzle is assembled piece by piece until it reveals the baby's gender message.
